The background is a light beige color with large, soft-edged, light brown organic shapes. There are several stylized white clouds scattered across the top and bottom. On the left, there are green and brown leaves on thin branches. On the right, there are green leaves on a branch. At the bottom left, there is a single pink leaf. At the bottom right, there is a stylized globe showing green continents and blue oceans.

02

## **Difficulties faced by women in case of disasters**

**-Looking back 11 years  
after the Great East Japan Earthquake**

Nao Mikami

# The Problems Women Faced in The Great East Japan Earthquake

Living in a shelter was not a safe place for women

<https://www.nikkei.com/article/DGXMZO97732370W6A220C1000000/>

# The Problems Women Faced in The Great East Japan Earthquake

As time passed after the disaster, women faced more complex difficulties

<https://www.hokkoku.co.jp/articles/-/370007>

The background is a light beige color with large, soft-edged, abstract shapes in shades of tan and cream. Scattered around the text are several stylized elements: green and brown leaves on the left, a pink leaf at the bottom left, white clouds, and a portion of a green and blue globe at the bottom right.

03

# Sexual minority in disaster area

Rina Nagase

**Case 1:**  
Treated as  
“suspicious person”  
when they use temporary  
bathrooms at evacuation areas.

**Case 2:**  
Same-sex partners as family  
Cannot move into  
temporary housing

04-1

# Create Guidelines/ Challenge of a Guideline

Mai Nakada

# Create Guidelines

## ①Normal Time

## ②Initial Motion

## ③Life in a Shelter

## ④Reconstruction Phase

05

# Gender inequality in Natural disaster from legal aspects

Ryoko Arakawa

- 
- 1. Guideline**
  - 2. Domestic Violence**
  - 3. Conclusion**
- 

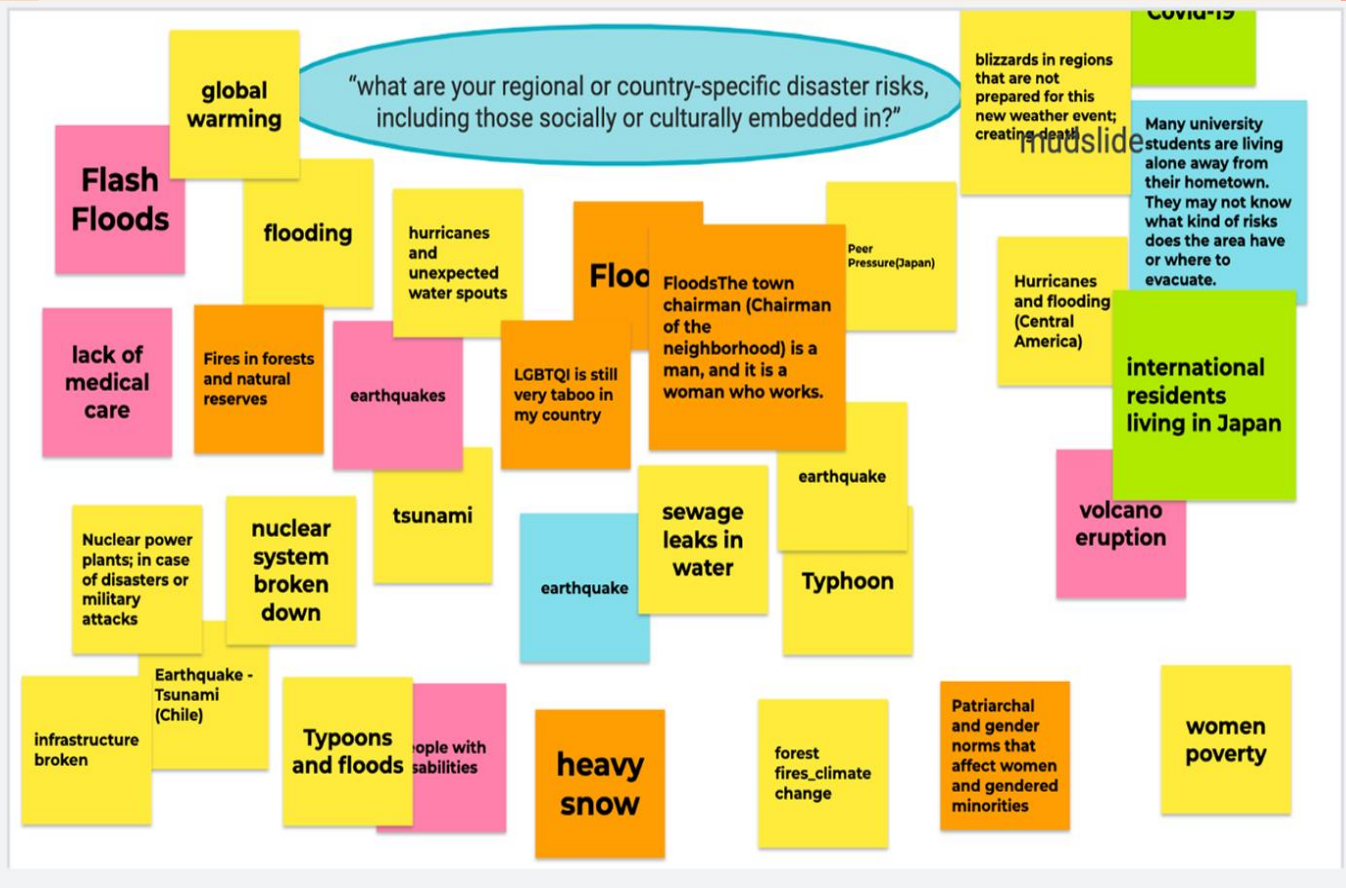

## Government should...

- consider the existence of gender based violence and amend the law to protect every single person
- the laws apply to the usual time should also apply in the event of natural disaster

## We, individuals, should...

- keep in mind that gender inequality exists in the judicial system

# Small activity with audience

06

# Leadership to transform society

Nanako Tojo

# Why young women's actions are vital?

Human rights

Justice

Complexity

# Our action

Leadership workshops on climate change aiming to

- Realize that problems matters to their lives
- Have and express own opinion
- Gain gender perspectives

**You have the leadership to  
transform society**
